

NEW VICE PRESIDENT OF SALES & MARKETING INTRODUCED

Eliason Corporation, a leading manufacturer of commercial double action traffic doors and energy saving products has hired Mike Evans as its Vice President of Sales and Marketing.

Mike brings 23 years of traffic door industry experience to Eliason where he has held numerous positions including Sales Rep, National Sales Manager, and Vice President of Sales. Mike brings a wealth of knowledge to Eliason including exceptional expertise in the Supermarket and Industrial Door segments. Mike will allow Eliason to continue to offer quality products to its current customers while also developing new products to support the company's growth initiatives. "Eliason has been recognized for decades for providing high quality products and excellent customer service. I am proud to be part of the Eliason team and look forward to helping the Company reach both its near and long-term goals. We will continue to build our rep organization as we add new products to sell to new customers," commented Mike Evans.

Jeffrey Stark, CEO of Eliason Corporation, states "Eliason Corporation has been offering quality custom made products and service to its customers for over 50 years. We are unmatched with our ability to provide a custom product that meets each of our customers' unique needs. Mike's presence at Eliason will allow us to better serve our existing customer base and extend our world class product offerings to new customers providing them with the high-quality Eliason products and service many have already come to expect."

Eliason Corporation, founded in 1952, manufactures custom commercial traffic doors and energy saving products for a variety of industries including, but not limited to restaurants, supermarkets, the industrial sector, and specialty retail stores. Eliason's Easy Swing double action traffic doors and Energy Saving Products are widely regarded as "best in class" products, with world wide distribution.
